Our Vision...

To be the most Respected and Leading Name
in Interior Design in the Middle East

Our Mission...

At JB Interiors,
it is our commitment to accomplish
all tasks with Excellence and a keen sense of Quality.
We consider it our privilege
in realising the design ideas of our Clients.

Who we are...

JB Interior Design LLC is a turnkey
interior designer and decorators in the UAE since 2010.

Within a short period since inception,
we have carved a niche for ourselves
through our commitment to
quality and time-bound project completions.

Our project portfolio encompasses
a wide range of clientele
spread across the commercial market.

Competitive pricing
based on market dynamics has been our forte.

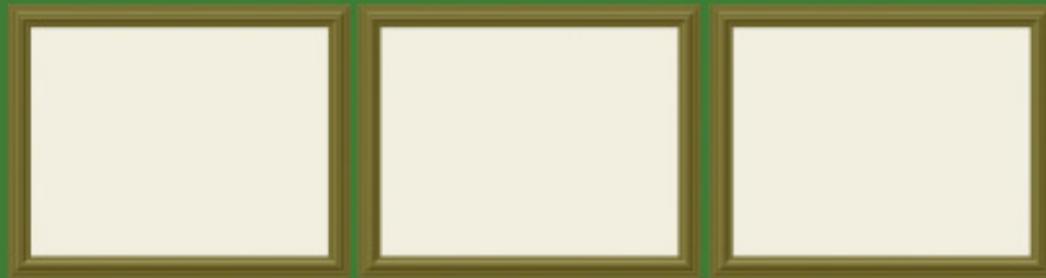

What we do...

We undertake and complete all kinds of Interior Design, Outfitting and Joinery works on a turn-key basis from small shopping outlets to complex commercial interior outfitting and decor.

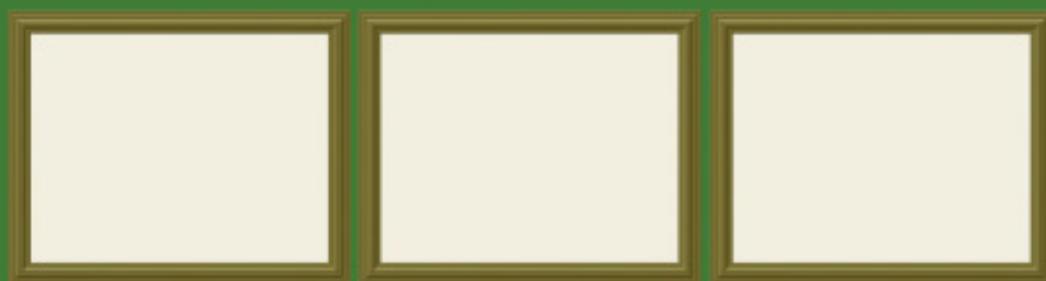

Our expertise includes dry wall partitioning, decoration works, all types of joinery works, glass works, civil works, mechanical, electrical, plumbing works and flooring works.

In-House Capabilities

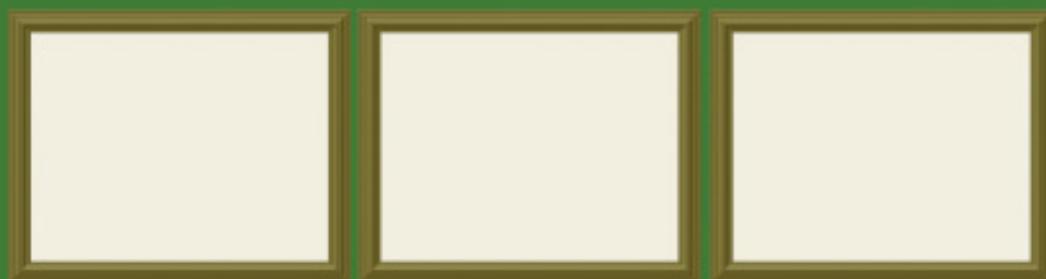

- Interior Design, Conceptual Design, Space Planning & 3D Renderings

- Stainless Steel, Glass & Aluminum Works

- Wooden Joinery Works for Wall Panelling, Ceiling & Wall Features, Counters, Custom-made Furniture, Executive Furniture.

Corporate Values...

The JB Interiors' Quality foundation rests on the following Corporate Values

- Integrity of Purpose
- Customer Satisfaction
- Commitment to Quality
- Time-Bound Completions
- Professional Project Management
- Teamwork

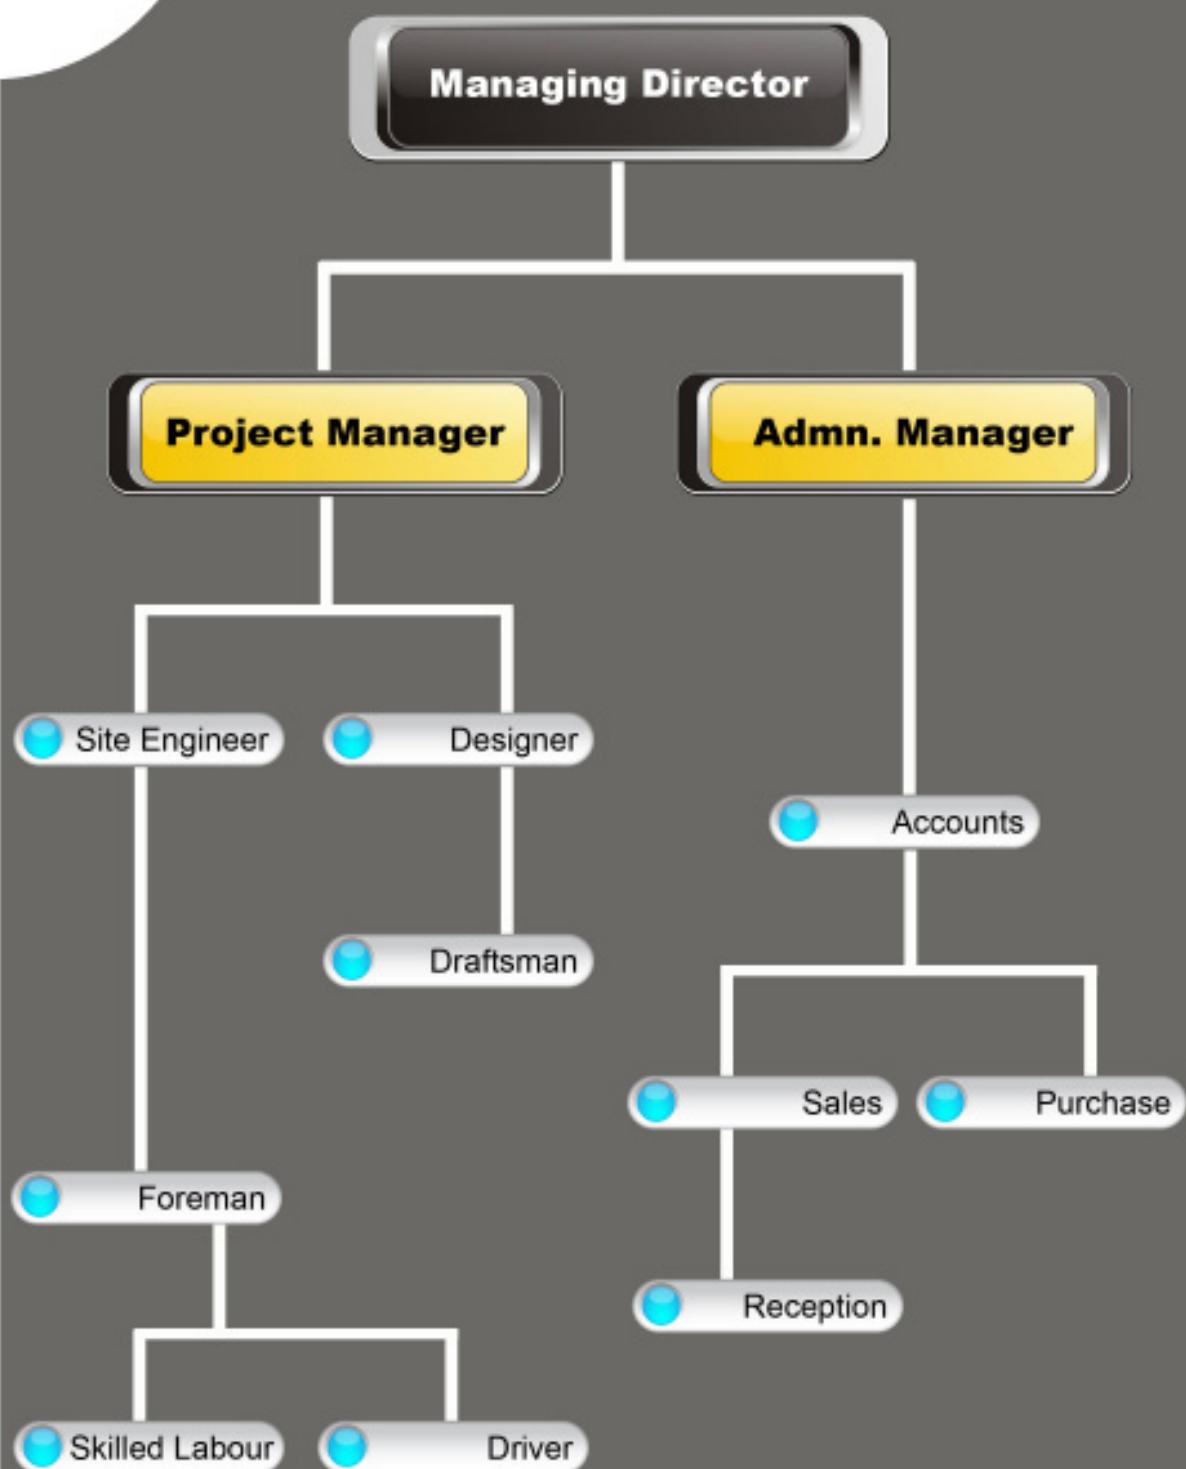

Quality Policy...

JB Interior Designs believes in the significance of Client Satisfaction, Quality based management and a culture of progressive development within the Company, for a sustainable success in the sector and bases its Quality Policy on the following values

- To provide the most appropriate solutions to its Clients through assessment of their needs and demands.
- To conform to every valid standard within the context of projects at the maximum level.
- To be a sector-leader in the utilisation of modern techniques.
- Efficient and effective management of Company human resources that helps the realisation of projects in advance of set deadlines.
- To transfer the Company Corporate Values to its employees.
- To maintain an excellent channel of communication between Clients, Company and Site.
- To prioritise with due diligence the importance of company employees and to enhance their competencies with learning and development modules.
- To maintain a mutually beneficial vendor management policy.
