The power of form minimal_simple

Arranging a minimalist interior requires great skill in working with forms and colours. A sparse style of arrangement emphasises the lightness and spaciousness of a room and displays the floor – the brushed and subtly whitened GENTLE oak.

Perfect perspective minimal_smart

The use of a contrasting object on the surface of the ceiling is a technique often applied by architects. The grey colour of the ceiling lowering harmonises stylishly with the bed frame and the other elements of the interior, including the subtly coloured TOUCH accent oak floor.

TOUCH

Quality of space rustic_vintage

An exceptionally stylish arrangement in a Scandinavian style. The fireplace warms the interior, and the minimal amount of furniture and accessories with simple forms intensifies the impression of spaciousness. The leading role in the interior is played by the EXCITE oak floor, whose distinct pattern determines the atmosphere of the room.
