

CORPORATE PROFILE

A dramatic night scene of a large fire. In the background, a building is engulfed in bright orange and yellow flames. In the foreground, several firefighters in dark silhouettes are visible. One firefighter on the left is gesturing towards the fire. A fire truck with its blue emergency lights flashing is positioned in the center-right. The scene is illuminated by the fire and the truck's lights, with dark, leafless tree branches in the upper left.

Lichfield Fire & Safety Equipment Co. Ltd. (LIFECO), LIFECO has been a global leader in supplying products covering the full range for fire detection, prevention, extinguishing and suppression. LIFECO, with its world headquarters in United Kingdom is well poised to serve a variety of International markets in addition to fulfilling the local market demand.

LIFECO serves Civil Defence, Industrial, Commercial and Consumer markets with its wide range of quality and innovative products. LIFECO is represented globally with its well knit National and International infrastructure dealer network.

The Company's strengths are underpinned by its highly skilled workforce, and a diverse range of quality products and services that aims to provide a 'one stop shop' to satisfy the Customers' Fire and Life Safety requirements.

**UK BASED
