Your one-stop shop for  
coffee & tea capsules

CAFENA, first established in Toronto, was founded to offer compatible coffee capsules to customers looking for more variety in their choices for capsule machines, all at a reasonable price. We believe in offering high quality, excellent tasting espresso along with friendly, first class customer service and a seamless ordering process.

### Do you love high quality espresso coffee, quick preparation and great moments of pleasure at a good price?

You've come to the right place at Cafena! We not only offer delightful alternative Nespresso® capsules but also 5 other advantages:

1. **Available from 2 AED per capsule!** Save more than 30% with Cafena espresso.
2. **Compatible with all Nespresso® and compatible machines.**
3. **Production of high quality coffee beans:** Our espresso capsules are filled with the best Arabica and Robusta coffee beans from around the world, including blends from Asia, South America and Africa.
4. **Available in more than 50 different varieties:** CAFENA provides various espresso varieties, which differ in flavour and intensity. Our product range currently comprises different espressos, lungo varieties, decaffeinated espresso, flavoured espresso blends and Fairtrade and organic espressos.
5. **Excellent customer service:** In order to make your shopping experience as easy and enjoyable as possible, we take the time to assist you along the way. We are happy to make recommendations and give advice as you purchase new espresso capsules.

The result is a range of distinct blends that will satisfy the most discerning of coffee drinkers.

Above all we are proud of having the widest variety of blends and flavors available in the Middle East and also to offer the only available certified Fairtrade Nespresso® compatible coffee capsules.

Our goal is to offer you excellent quality of coffee, and to make our specialties your new favorites. We welcome and value your feedback. If you have any questions or suggestions regarding CAFENA - both positive and negative - please contact us at any time!
