# WHO WE ARE

Trofina Food (ME) FZC LLC was established to develop and manufacture quality food products that promote and support a healthy lifestyle. This focus is reflected in the Company's Vision.

Trofina food had a successful track record of achievements during eight years of operations. Under the present corporate vision, our company is thoroughly engaged in developing food suited to a healthy lifestyle, as well as adding value to customers by offering outstanding quality and customer service.

Product diversification and development according to market trends and improvement of existing products are considered a major aspect of the business. The R&D teams are working to develop healthy products that meet the exceptional taste of our clients. Trofina factory is situated in Sharjah - Hamriyah Free Zone , one of the most advanced and environmentally friendly Trade Zones in the Middle East.

The built up area of the plant covers a total of 4150m2 built area along with storage facility with a capacity of around 250 containers. The factory is fully equipped with the latest in production technology and machinery.

Trofina team are committed to make a difference by reaching high level of efficiency and effectiveness.

The premises are designed and built according to European Standards for Food Plants and according to "Codex Alimentaire" General Principles of Food Hygiene. The Company has acquired ISO - 22000:2005 (inclusive of HACCP) certification and maintains the best standards in the industry.
