## MULTI TECH IND.

**Multi Tech Ind.** Manufactures a comprehensive range of construction chemicals & coating at our factory in UAE. **Multi Tech Ind.** products have been proven around the world, in a wide range of extreme climate conditions, this long record of successful installations & unequalled products quality assures the highest levels of performance in the construction industry. **Multi Tech Ind.** products are formulated to high standards and conform to Bs, ASTM, DIN & LEED Specifications.

**CONSTRUCTION CHEMICALS**

**WATER PROOFING**

**PU GREY**

**BITUMEN COATING**

**PU BLACK**

**SEALANTS**

**HVAC CHEMICALS**

**TILE ADHESIVES**

# PRODUCT RANGE

## 1 - WATER PROOFING

- A - Acrylic Waterproofing Liquid Membrane (All Coloures)
- B - Modified Polyurethane Membrane
- C - Cementitious Liquid Waterproofing
- D - Cementitious Polymers Modified Waterproofing
- E - Solvent Base Rubberized Water Proofing Membrane

## 2 - BITUMEN PRODUCTS

- A - Bitumen Primer Solvent Base D41
- B - Bitumen Primer (Water Base)
- C - Rubberized Bitumen Emulsion
- D - Bitumen Paints

## 3 - BONDING AGENTS

- A - PVA Bonding Agent
- B - Acrylic Bonding Agent
- C - SBR Latex Agent
- D - Epoxy Bonding Agent
- E - Foaming Agent

## 4. EPOXY BASED PRODUCTS

- A - Epoxy Solvent Less and Solvent Base Coating
- B - Epoxy Top Coat
- C - Epoxy Coat
- D - Coal Tar Epoxy

## 5 - PU SEALANTS & COATING

- A - Acrylic Sealants (Mastic)
- B - Polysulfide Sealants
- C - PU Sealants Solvents Base (Single Pack)
- D - PU Sealants Water Base (Single Pack)
- E - PU Coating Solvent Base (Two Pack)
- F - Pitch Polyurethane (Single Pack)
- G - Bitumen Sealants
- H - Multipurpose Joint Sealants

## 6. CONCRETE REPAIR PROUCTS

- A - Micro Concrete
- B - Non Shrink Grout
- C - Multipurpose Tile Adhesives.
- D - Multipurpose Tile Grout
- E - Crack Filler
- F - Self Levelling Compound

## 7 - A/C. ELECTRO MECHANICAL COATINGS

- A - Canvas Cloth Coating 30-36
- B - Duct Liner Glue 81 - 10
- C - Anti-Fungus Coating 30 - 36 AF
- D - Vapor Barrier Coating 30-80 VBC
- E - Vapor Barrier Coating 60 - 95 SB
- F - Duct Sealants

## 8 - ADHESIVES

- A - Multipurpose Floor Adhesive
- B - EPDM Adhesive
- C - Gypsum Joint compound
- D - Polystyrene Adhesive
- E - Contact Adhesive
- F - Multipurpose Rubber Adhesive

## 9. THINNERS

- A - G.P Thinner
- B - Lacquer Thinner
- C - P.U. Thinner
- D - N.C. Thinner

## 10. CLEANING & RELEASING AGENT

- A - Multipurpose Cleaner
- B - Multipurpose Mould Release Agent
- C - Multipurpose Foaming Agent
- D - Shuttering oil

## MULTISEAL 2020

### HIGH PERFORMANCE ACRYLIC SEALANT

MULTISEAL 2020 acrylic flexible filler is a permanent, flexible sealant for a wide variety of internal applications where low ( $\pm 5\%$ ) movement is anticipated excellent adhesion to most substrates. It is a non-staining sealant that resists cracking and gives a smooth finish that requires no sanding

## MULTIPROOF SP

### HIGH QUALITY WATER PROOFING MEMBRANE

MULTIPROOF - SP is a Special Synthetic Resin Based Water Proof Coating. Due to its excellent flexibility and thixotropic nature is ideal for use on vertical as well as horizontal surfaces. It is single pack very economical and pollution free coating

## MULTITHANE - PU GREY

### POLYURETHANE LIQUID WATERPROOFING

MULTITHANE - PU GREY is cold applied two component moisture cure aliphatic polyurethane waterproofing and protective coating liquid membrane.

## MULTIPROOF - BLK PU

### HIGH FLEXIBLE BLACK POLYURETHANE WATERPROOF MEMBRANE

MULTIPROOF - BLK PU is cold applied form modified aliphatic polyurethane membrane waterproofing membrane, specially designed from a blend of polyurethane compound grade of aliphatic resin, reinforced with special water repelling fillers, minerals stabilizers and gelling agent.

## MULTIPOXY - TOP COAT

### EPOXY TOP COAT SOLVENT LESS 2 PACK

MULTIPOXY TOP COAT is a colored and decorative top coat for flooring epoxy compound as an epoxy coating for hygienic concrete floors and walls (non-toxic) where acid and chemical resistance is required. cured film of the same is non toxic. also its ideal for water tank.

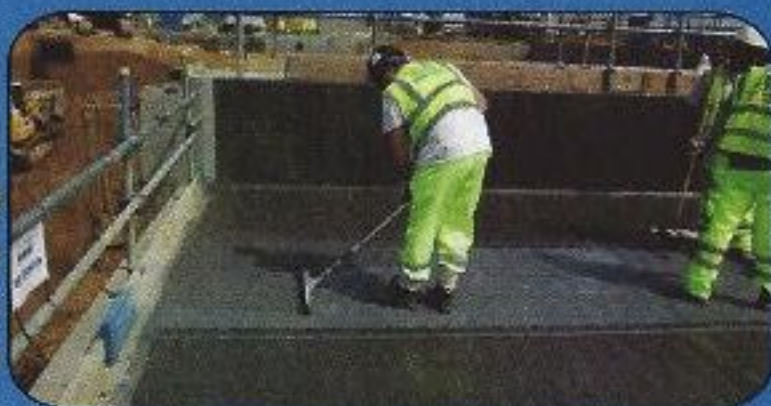

## MULTICRETE CWP

ACRYLIC REINFORCED CEMENTITIOUS,  
WATERPROOF COATING

MULTICRETE CWP is a two component acrylic modified cementitious coating that requires only on site mixing to form the ideal product to waterproof and resurface concrete, masonry and most other construction materials.

## MULTICOAT

COLD APPLIED BITUMEN EMULSION & PRIMER

MULTICOAT is ready - to use water based bituminous emulsion protective and damp. the finished film tough barrier to vapor transmission.

## MULTICOAT - RBE

RUBBERIZED BITUMEN EMULSION

MULTICOAT - RBE is a bitumen emulsion reinforced with rubber. it is single component dark brown liquid. when dries forms black and flexible coating.

## MULTIPRIME

SOLVENT BASE BITUMEN PRIMER

MULTIPRIME is a quick drying solvent based low viscosity bitumen primer. it is used as a primer coat on masonry and concrete substrates to improve the adhesion of bitumen based membranes and coatings. Multiprime is low in viscosity. which allows it to penetrate into the concrete pores and improve the adhesion between the membrane and the concrete surface.

## MULTIBOND PVA

PVA BONDING AGENT

MULTIBOND PVA is a resin based adhesive for the construction industry as a bonding additive to concrete and plaster. upon drying it form a thin film which is non-discoloring to the surface. it is used in concrete repairing, admixture to the mortar to give great adhesion to the plasters, a primer for cover coating etc...

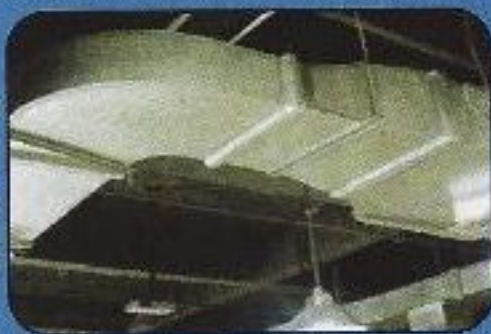

## CANVASO 30-36

### DUCT CANVAS COATING

CANVASO 30-36 is a tough and flexible adhesive and sealant, forming a durable seal against air leakage. Due to its excellent water, u.v. and abrasion - resistance it can be used in outdoors as well as indoors in thermal insulation system on metal duct.

## DUCT GLUE 81-10

### DUCT LINER ADHESIVE

DUCT Glue 81-10 is high quality, quick tack adhesive specially formulated for brush application. It is specially formulated adhesive to bond all type of insulation materials, i.e. g.i aluminium air conditioning duct and steel asbestos sheets. It provides Excellent Adhesion and good Coverage.

## MULTISEAL 32 - 17

### DUCT SEALANT

MULTISEAL 32-17 is a fire resistive, fibrated water-based vapor barrier sealant for low, medium and high velocity heating and air-conditioning ducts. It performs as a tough and flexible adhesive and sealant, forming a durable seal against air leakage when used with or without reinforcing tape or membrane. Mechanical fasteners of the type and number normally used for duct assemblies are required to provide rigidity to the duct system.

## MULTI PIR MC - 22

MULTI PIR MC - 22 is inflammable, one component adhesive based on Poly-chloroprene, with special tackifier and additives, it is specially developed for polyurethane and polyisocyanurate (PIR) foam in air duct system. It has very good film forming nature which give uniform bonding to most of substrate.

# **OUR PRODUCT RANGE**

**Construction Chemicals**

**Water Proof Coatings**

**Adhesives & Sealants**

**Bitumen Products**

**PU Coatings**

**Industrial Lacuqers Coatings**

**Industrial Products**

**Tiles Adhesives & Grouts**

**Gypsum joint Compound**

**Bonding Agents**
