INTRODUCTION

WELCOME TO OLE SOAP

- **ABOUT US**

- Ole Soap is a family Business with an interesting start and the creator of 'Secrets Of Arabia Gemstone Soaps'. It was initially a hobby, one that excited us so much that over the years it has grown into an equally fascinating business that we have gladly embraced.
- In the past three years we have achieved what we have always wanted, a company which embodies our passion producing high quality unique soaps to please and surprise the public.
- We continue to be inspired and but even in our early days we have been allured with the scents of the East, with its powerful fragrant aromas and incredible vibrant colours.
- Every detail of our products have been scrupulously designed with the aim to create not just a soap but a real jewel for the skin and the soul. From this passion for beauty and design came our presentation caskets handmade and Hand Carved from natural walnut which from the foundation of our 'Secrets Of Arabia' range.
