

**“COMPLETE COOLING SOLUTION”**

**Since 1999**

**Trading:-**

- 1) All kinds of new and used AC.
- 2) All kinds of new water chiller, water cooler, Air curtain.
- 3) *All kinds of Used compressors* and parts of all Capacities -Copeland, Bitzer, Mycom etc..
- 4) Ice block making machine, ice crushing machine.
- 5) Water pump heavy duty used.
- 6) *Heat exchanger* - shell and tube type and PHE .

**Maintenance :-**

- 1) **AMC** (Annual Maintenance contract) of chillers and AC
- 2) All kinds of AC installation, maintenance work.
- 3) All kinds of chiller installation, maintenance work.
- 4) All Capacity cold room /Freezer room supply, erection, commissioning, maintenance etc.

**Coil Replacement:-**

- 1) Coil replacement of all kind of chillers and AC.
- 2) Gas recovery of R134gas, R22gas, 407gas etc from chillers.

**Services:-**

- 1) Chilled water pipe line work. Flushing and chemical treatment of pipelines.
- 2) Insulation work for pipeline, water tank and duct line etc.
- 3) Repairing of heat changers - shell and tube type.
- 4) Duct work.
- 5) Purchase of chillers, AC, compressors, coil etc..

**Rental:-**

- 1) 5Tr and 8Tr Free standing AC units.
- 2) 5Tr and above capacities Package units.
- 3) Flexible duct of 12” dia and 24” dia.
- 4) Panel board.
- 5) Water chiller of different capacities.
- 6) Semi sealed compressors.

**Cold Store & Fabrication:-**

- 1) Freezer and chiller rooms.
- 2) GI /MS/Steel Structure.
- 3) Stand for condensing units.
- 4) Stand for package units.
- 5) Tank fabrication
- 6) Shell and tube type heat exchanger manufacturing.
- 7) Water chiller frame.

**Painting:-**

- 1) Open chillers for supermarket.
- 2) All types of AC and chillers.
- 3) Compressors.

**Semisealed compressor:-**

- 1) Overhauling
- 2) Winding
- 3) Oil changing.
