BEST MIX SAFETY PRODUCTS

"Everything Under Safety and a little bit more"

WORLD OF SAFETY

2016/17

PRODUCT LIST & BRANDS

Since its establishment Uruguay had a mission to provide highest quality safety, fire and rescue equipment throughout all the industries in the Middle East region. Uruguay has worked long and hard to achieve excellence and growth while maintaining its outstanding customer service and satisfaction, an unforgettable story that not many can match.

We have built a strong reputation over the years by introducing and representing world renowned brands whose quality needs **NO INTRODUCTION** in the global market. To make Uruguay a "Safety Central" we have established manufacturing unit for safety signs, sign boards and industrial clothing with computerized embroidery and screen printing facilities. We continue to offer more than 10000 selected products.

We take this opportunity to present our **BEST MIX** selected innovative and unique products which stand out and cannot be find with competition. The unmatched value added products that have been selected and approved by Major Oil Companies worldwide including ADNOC Group of Companies, World renowned Contractors, Consultants and Safety Engineers. Our outstanding customer service and technical support is here to assist you in any way possible to make your job easier.

Please call us or visit our showrooms to help you to "Make your work place safer".
