

Linoleum

LINOLEUM FLOORING

Non-toxic, proven durability, easy to install

Linoleum flooring has been used for decades throughout the world in both commercial and residential applications. Now, this product is available in an easy-to-install click-lock format, which makes it easy for DIYers to install themselves. This format also renders the product re-usable, and re-configurable should the purposes or design of the space change.

Linoleum is natural anti-static, so pet hair and dust will not cling to it. Linoleum is great for areas which must withstand abrasion from sand and wheelchair traffic as well.

features & benefits

Easy, click-lock floating installation
