

GYM FLOORING

Rephouse is a leading manufacturer of rubber flooring systems. With its state of the art production technology, ISO 9001:2008 certification and more than 28 years of hands on experience in both production and installation all over the world, Rephouse can ensure a premium quality rubber flooring product tailor made for almost any kind of application.

REPHOUSE NEOFLEX 500 FLOORING SERIES

The construction of the Neoflex 500 flooring makes it resilient, durable and provides low step noise, while the material choices makes it environmentally friendly. This flooring is suitable for gyms, aerobics areas, changing rooms, pools, building entrances, retail environments, corridors, stadia and most public areas. We also offer bespoke flooring solutions including colour options, markings such as sprint tracks or TRX lines. We can also incorporate your branding or logo into the design to really bring the most out of your facility. Prices shown per square metre.
