

Inovar UltraShield

Premium Quality Composite Wood Decking

There are ordinary decking systems, and then there is **Inovar UltraShield**.

Designed and fabricated with the latest innovation and technology in composite wood manufacturing techniques, **Inovar UltraShield** is miles ahead of even the closest rival. **Inovar UltraShield** offers an unmatched advantage in scratch, stain and fade resistance and it stands to outperform and outlast all other decks on the market.

Inovar UltraShield is made to deliver an unparalleled performance with smashing good looks. It is exceptionally easy to install, requires almost no maintenance for years of carefree enjoyment, and above all, it looks amazingly outstanding with its true-to-life colors and patterns.

From natural timber tones to weathered lumber looks, **Inovar UltraShield's** exclusive color enhancement technology makes it possible for these naturally-realistic colors to withstand the sun's harsh UV rays effectively.

Beyond The Ordinary

Although every effort has been taken to ensure that the colors shown in this brochure are as accurate as possible, variations in color may occur due to limitations of the printing process. Your final choice should only be made with an actual product sample if color accuracy is a priority.
