INTRODUCTION

We are pleased to introduce ourselves as one of the leading companies in the U.A.E engaged in providing technically qualified Manpower to a wide range of industrial sectors like Ship Building & Repairs, Heavy Metal Industries, Engineering & Contracting Construction, Thermal Power Plants, Factories, Port Authorities, etc. on a regular basis.

Within a short span of eight years we have succeeded in reaching out to handful of reputed establishments in the highly competitive market of the Gulf region. This achievement is mainly attributed to the untiring efforts of our Management, the dedicated services of our Workforce and the uncompromising individual attention given to each one of our valued Customers.

The backbone of our business comprises of Welders-3G/ 4G/ 6G/ TIG/ MIG, Structural/Steel/Pipe Fabricators, Industrial Electricians, Mechanics, Duct Men, Spray Painters, Scaffolders, Carpenters, Plumbers, Mason, Steel Fixers, Riggers and Technical Helpers. Each technical hand is assessed at regular intervals by our well experienced Technical in charge, who also provides them training at our workshop.

We also undertake Fabrication / Welding Jobs on Sub-Contract basis. We have accordingly set up a fabrication shop at Sharjah.

Having cemented our feet firmly in the market, we are all set to meet your demands with confidence and conviction, which can only be fruitful with your cooperation and trust. We sincerely hope to move forward, towards our mutual benefit and we assure you that your demands and interests will be placed on top of our priorities.
