

Global Technological Partners

MENCO GLOBAL
FZC

Objective

To be Global Technological partners to meet customers needs in partnership with renowned Principal companies.

Focus Area

Oil & Gas Industries

Power, Water & Utility Authorities

Service Industries

Local & International Contractors (EPCs)

System Suppliers & Integrators

Basic Industries & Manufacturing Companies

Corporate Social Responsibility (CSR)

- Reducing waste, Recycling & Reusing of materials at every opportunity.
- Reducing Electrical energy consumption.
- Protect & Respect environmental resources
- Menco Global would like to move in the direction of renewable energy.

Menco Global State of the Art Solutions

PRODUCT GROUP

- Sensors
- Field Instruments
- Electronic, Electrical & Process Test Instruments
- Interface & Isolators
- Panel Instruments
- Process Equipment
- Automation Products
- Fieldbus Products
- Analyzers & Detectors

MEASURING PARAMETERS

- Flow
- Pressure
- Temperature
- Level
- Electrical
- Distance

GENERAL SUPPLY

- Instrument, Control and Fiber Optic Cables
- Batteries, Chargers & UPS Systems
- Industrial & Explosion-proof Enclosures
- SIL2 & ATEX approved products for Hazardous Area
- Wireless Products & Systems
- Process and Field Power Supplies.
- Instrumentation Fittings & Accessories
- Control Systems & Spares
- Industrial, Instrumentation & Automation Spares.
- Plastic Testing Equipments
- Controllers for Industrial Machines

SOLUTIONS OFFERED

- Safety Integrity Level (SIL) validation
- Pre-startup safety reviews
- Proof Testing
- Retrofits & Modifications – Management of Change
- System to manage Quality, Occupational, Health, Safety and Environment (QHSE).
- SAAS (Software As A Service) – Business Intelligent software.

PRODUCT OFFERINGS

FLOW METERS

Coriolis, Magnetic, Energy Meter, PD, Ultrasonic, Vortex, Diff Pressure

PRESSURE

Gauges, Switches, Transducers & Transmitters

TEMPERATURE

Rtds, Thermocouples, Thermowells, Gauges, etc...

LEVEL

Ultrasonic, Radar, Hydrostatic Switches & Transmitters

DIGITAL

Field, Panel & Loop Powered Meters

DISTANCE

Displacement, Eddy, Capacitive Distance Sensors

ATEX

SIL2, ATEX & EXd Products

WIRELESS

Wireless Products & System

CALIBRATION

Test & Measuring Instruments

INTERFACE & ISOLATORS

Signal Isolators, Converters, Splitters

CONTROL SYSTEMS

PLC/SCADA/HMI/RTUs

CABLES

Instrument, Control & Fiber optic cables

UPS

Offline & Online UPS, Inverters & Voltage Stabilisers

EQUIPMENT

Plastic Testing Equipment

CONTROLLER

Controllers for Industrial Machines
