

A FLAG IS A PIECE OF FABRIC (MOST OFTEN RECTANGULAR) WITH A DISTINCTIVE DESIGN THAT IS USED AS A SYMBOL, AS A SIGNALING DEVICE, OR AS DECORATION.[1] THE TERM FLAG IS ALSO USED TO REFER TO THE GRAPHIC DESIGN EMPLOYED BY A FLAG, OR TO ITS DEPICTION IN ANOTHER MEDIUM. THE FIRST FLAGS WERE USED TO ASSIST MILITARY CO-ORDINATION ON BATTLEFIELDS, AND FLAGS HAVE SINCE EVOLVED INTO A GENERAL TOOL FOR RUDIMENTARY SIGNALLING AND IDENTIFICATION, ESPECIALLY IN ENVIRONMENTS WHERE COMMUNICATION IS SIMILARLY CHALLENGING (SUCH AS THE MARITIME ENVIRONMENT WHERE SEMAPHORE IS USED). NATIONAL FLAGS ARE POTENT PATRIOTIC SYMBOLS WITH VARIED WIDE-RANGING INTERPRETATIONS, OFTEN INCLUDING STRONG MILITARY ASSOCIATIONS. DUE TO THEIR ORIGINAL AND ONGOING MILITARY USES, FLAGS ARE A COMMON MESSAGING, ADVERTISING, AND DECORATIVE PURPOSES. THE FLAG IS KNOWN AS VEXILLOLOGY FROM THE LATIN WORD VEXILLUM MEANING FLAG OR BANNER.

FLAG SIZES

Flags are manufactured in various sizes depending on the requirements of our customers. Most countries specify **proportions** for flags, the most popular being 2:3. Although the most commonly used sizes are 2'x3', 3'x4.5', 4'x6' for country flags. But we customise flag sizes to suit any requirements.

Our flags are printed in colours true to the country of origin's specifications. **All flags** are printed as per Pantone colour code of each country. We use a worldwide authority to obtain these specifications. **An** extended use of flags is signages and **advertising**. We have pioneered the use of flags for **advertising** thereby improvising with shapes and sizes in line with the customer expectations. **The** **signages** and **advertising flags** are available in standard configurations **as well** as custom made sizes.
